The Ameritek Tabber applies tabs, labels, stamps, repositionable post-it notes, and scratch-offs to a wide variety of media including tri-fold brochures, newsletters, small catalogs and many others. It is designed for professional mailers, commercial printers, fulfillment houses or anyone else requiring a heavy-duty high quality Tabber/Labeler/Stamp Affixer.

It has front panel controls that are easy to use, making it simple to set up jobs or to switch between applications.

The Ameritek Tabber can be used inline with most friction feeders, inkjet print systems, conveyors and even some folders. It can also be run offline with a feeder in stand alone operation.

The Ameritek Tabber can also be configured as a Dual Tabber. This system can tab on the leading (toe) and trailing (heel) edges of a booklet in a single pass. The Dual Tabber can run in-line or off-line as a system, or the Tabbers can be unlocked and used as standalone units.
