

Postmate 3

Cabinet dimensions - H660mm
L580mm W510mm

The PostMate 3 is an easy to use and compact desktop Pressure Sealer and Office Paper Folder that can be utilized for both your Pressure Sealing and Paper Folding needs.

It has an infeed capacity of up to 800 printed pressure seal forms and cycles at a speed in excess of 5,700 forms per hour. Z,C,V and bespoke folds are available with the easy to use fold settings.

The Postmate 3 incorporates lockable fold plates and a new jam release system. Access to the machine has also been improved.

The standard Output Catch Tray holds up to 200 sealed forms. An optional Automatic Extending Output Conveyor is available and provides the user with easy unloading of up to 500 sealed forms.

An optional Cabinet is available which provides a suitable surface for the machine and also provides storage.

Optional automatic extending conveyor activated by the number of forms processed

Maintenance

Welltec System (UK) offer annual maintenance contracts for added peace of mind. These consist of eight working hours response, all parts and labour, preventative maintenance and *free replacement machine if required. Alternatively, a bespoke maintenance package can be tailored to suit your specific requirements.

Please note: Maintenance contracts outside the UK may vary.

* Subject to maintenance contract

User friendly interface
